Adjunct Professor Jazz Studies  
University of Southern California

I had the pleasure and privilege to be the 2008 Guest Conductor of the South Central Regional Music Conference Honor Jazz Ensemble as well as the guest soloist with the Bill Causey Big Band that presented a public concert in Monroe, Louisiana. The students in the honor jazz ensemble were tremendous and the conference was outstanding. I encourage music educators in all areas of music throughout the United States to attend this conference along with their students. The SCRMC organization seeks to provide the very best music education experiences for all conference attendees. I am very impressed with the work that Mr. Mark R. Walker and his staff have exhibited in organizing a musical event of this nature. They treated me with the utmost professionalism and hospitality. I can hardly wait to have another opportunity to perform at the South Central Regional Conference in the very near future.
