Sharonmoore@opsb.net

Dear Parents,

Thank you for allowing your child to participate in one of the SCRMC Honors Ensembles. Our hope is to provide your child with the finest musical experience possible.

With your free membership in the Conference, we invite you to visit with our exhibitors. There will be vendors from the music industry as well as representatives from colleges/universities who will answer your questions about your child's musical future. It is our hope that you will spend time with these individuals and ask questions. The exhibitors count on personal contacts and would appreciate you taking the time to stop by and visit. A list of participants is available on our web site www.scrmusic.info.

All concerts and clinics are also part of your membership. There will be clinics designed just for parents, with topics submitted by parents. Please fill out the parent registration form and return it to the address on the form. You may also submit the form by email.

Again thank you for your time and support of music education. We look forward to meeting and visiting with you at the conference.

Eddie Schiro
Director of Marketing
